Feedback to candidate on evidence assessed: *Well done Jodie!* 

During the theatre visit you used your PECS communication book very clearly and accurately to tell me which areas of the theatre you enjoyed visiting. You clearly responded to the special effects whilst on the stage.

It was very clear that you want to re-visit the art gallery again – I think you enjoyed the quiet and atmosphere there. Well done for using your communication book to indicate that you wanted to go back and touch the wood sculptures again.

When we looked at the community visit photographs on the Smart Board you clearly remembered each visit and made a clear decision about which one should be in your evidence portfolio.

I confirm that the candidate has met the requirements of the *Evidence must show you can* statements for this module.

Excellent work Caroline! You have put lots of effort into this module! You have a clear understanding about community facilities and made good contributions to the group work identifying the community facilities. During our follow-up group work you remembered lots of information about each facility. You have pasted the leaflets you collected and assembled all your evidence very carefully. Well done!
