

OCR recruits 70 centre inspectors for CPC inspection visits

OCR has recently recruited 70 centre inspectors who will be visiting CPC centres unannounced. All OCR CPC centres will be visited by an OCR inspector at least once a year. The OCR inspectors will be ensuring that the CPC examinations are carried out in line with the requirements detailed within the JCQ's *Instructions for Conducting Examinations*, available on the JCQ website www.jcq.org.uk. You should refer to these prior to each examination session to ensure compliance.

New scheme documentation for CPC

We are pleased to announce that we have recently reviewed and updated our CPC scheme documentation. We have produced a new *CPC Centre Guide* which replaces the *CPC Administrative Guide* and the *CPC Tutor's Handbook*. We have also updated the *Instructions for Invigilators* document which should be used alongside the *JCQ Instructions for Conducting Examinations*. The new documents will be available by the end of September 2009. All documentation required to administer the CPC qualification can be found on the CPC pages of the OCR website www.ocr.org.uk.
